

BRINGS MESSAGE OF
PEACE TO "RED ARROWS"

JOHN J. PERSHING.

Detroit—About 5,000 veterans of the Thirty-second division were in the city for the annual reunion of the Red Arrow men when General John J. Pershing, commander-in-chief in war time, and general of the army in peace days, arrived to take part in the ceremonies. The reunion was held August 27-28-29 and 30. General Pershing was escorted to the D. A. C. where he was the guest of a joint committee representing the Thirty-second division and the Detroit citizens' committee.

PEACE WITH GERMANY SIGNED

Pact Guarantees U. S. All Rights Accorded at Versailles.

Washington.—The treaty of peace with Germany, negotiated by President Harding and Secretary of State Hughes in lieu of the rejected treaty of Versailles, was signed in Berlin Aug. 25 and made public by the American state department shortly afterward.

The treaty explicitly provides the United States shall be entirely dissociated from the League of Nations, is not bound by any action that the league has taken or may take in the future, and it binds Germany to all the important reparations and economic clauses, the disarmament provisions and other essential obligations insofar as they affect the United States, which were specified in the Versailles treaty as approved by the Allied and associated powers other than the United States.

The treaty must be ratified by the senate before diplomatic relations are resumed.

MELLON DOOMS MEDICINAL BEER

Won't Issue Prescription Ruling Pending Final Action On Bill.

Washington.—Beer, as a medicine, was doomed by the treasury unless congress after recess should fail to enact the Willis-Campbell anti-beer bill.

In conference with internal Revenue Commissioner Blair, Secretary Mellon decided that the regulations already drawn which would permit physicians to prescribe a case of beer at a time with no limit on the number of prescriptions, should be held up by the treasury pending determination of the medicinal beer question by congress.

PANAMA MOURNS U. S. RULING

Republic's Flag to Be Flown at Half Mast for 30 Days.

Panama.—President Porras signed a decree, which declares the republic of Panama in mourning for one month. He ordered that the flag be displayed at half mast on all public buildings. This action was taken in consequence of the award to Costa Rica of disputed territory along the frontier and the decision of the United States not to delay Costa Rican occupation of the district.

A LINE O' CHEER.

AGENTS.

I F I'VE a Sneeze, a Jeer, a Scoff,
I call in Mr. PUT-IT-OFF.
But when to Cheer I'd turn my
prow
I send for Mr. DO-IT-NOW.
And these two Agents serve me well—
Far better than any pen can tell,
For PUT-IT-OFF never does Today
What overnight he can delay,
While DO-IT-NOW goes to the
speed
As straight as may be, and with
deed,
Whereby Today I have my Cheer,
And to Tomorrow leave the Sneeze.

THE GIRL ON THE JOB

How to Succeed—How to Get Ahead—How to Make Good

By JESSIE ROBERTS

TRAVELING WOMAN.

THE traveling man has been an important member of our commercial life these many years, but the traveling woman is newer.

However, she has come, and she is making good. The old notion that the work was too hard for her is rapidly dying away. Today traveling is not hard. A woman is no longer thought queer when she travels alone.

If you look forward to taking up this sort of work you need to ask yourself if you are qualified for the work.

You ought to be a good mixer and capable of taking care of yourself. You ought to have charm, the power of interesting people, and be an easy talker. You must make yourself thoroughly familiar with the line of goods you are to sell. Never try to sell something in which you do not believe. It can't be done.

You should begin by taking a course in some good school in salesmanship, with special work in the line you wish to follow, and you should follow this by working in a store or wholesale house. Make it clear that you wish to fit yourself to travel, and do not stay with any firm that is not willing to give you a chance to do this.

Once launched, it will depend on yourself as to how far you will go. But if you are a real commercial traveler you will get a lot of fun out of the life, plenty of experience, and you stand to make a lot of money.

Chronic Offenders.

"I understand your next door neighbors are musically inclined."

"It's all a mistake," said Mr. Glipping.

"But they play on a variety of instruments."

"They torture 'em. If there were a society for the prevention of cruelty to pianos, saxophones and fiddles they'd be in jail half the time."—Birmingham Age-Herald.

Certainly.

When may a man be said to be personally involved? When he is wrapped up in himself.

LYRICS OF LIFE

By DOUGLAS MALLOCH

GIVING.

HE PUT his name on every list.

He was a true philanthropist—

And yet a mighty lot he missed

In giving of his self:

He gave his gold, but let a few

Good friends disburse the check he

drew.

And so one joy he never knew—

He never gave himself.

His money did a lot of good:

It found the needy neighborhood—

And yet he never understood

The thing we have to give.

Besides our money now and then,

The thing we have for giving when

Men's lives are hard to live.

Oh, wealth is much, but much the hand

That finds the fallen brother and

Restores him to the solid land

When tossed upon the seas;

Oh, wealth is much, but much the smile

That lifts the other man the while

You give a little of your pile

For his necessities.

So go yourself and do not send:

Be both the giver and the friend;

Be not too rich, too high, to bend

To lift the man you aid—

Seek out the soul that is adrift,

Bring gold to help but love to lift,

And you shall feel, for every gift,

A thousand times repaid.
